

CERTIFICATE

of constancy of performance 1922 - CPR - 0331

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Fixed firefighting systems - Components for gas extinguishing systems - non-electrical automatic control and delay devices

(The relevant types and are characteristics described in Annex I which is an inseparable part of this certificate)

produced by

OML S.r.l.

Via M. Natalucci 6, 60131 ANCONA, Italy

and produced in the manufacturing plant of

OML S.r.l.

Via Sant'Andrea, 38, 20010 BAREGGIO, Italy

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 12094-2:2003

under system 1 were applied and that the products fulfil all the prescribed requirements set out above. This certificate was first issued on 24 June 2014 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. The certificate is supported through annual surveillance audit and is reissued after each surveillance audit. This certificate should be reissued not later than 19 June 2019. The validity of this certificate can be verified in the CE register on www.dedal-bg.net.
